

Digital Learning Unit Monthly Webinar Series and Office Hours

Article: 2026-23-266

Audience: Education Technology Leaders, Instructional Technology Resource Teachers (ITRTs), School Librarians, Classroom Teachers

Contact: Morri Pace, Digital Learning Coordinator, morri.pace@doe.virginia.gov

The Digital Learning Unit invites educational technology leaders to join its monthly [webinar series](#) beginning July 14. Webinars will provide professional learning focused on Digital Learning Integration *Standards of Learning*, policy updates, internet safety, artificial intelligence, GoOpenVA and sharing resources.

Monthly topics include:

- **July:** Digital Learning Integration *Standards of Learning* (DLI SOL), ITRT, and Librarian Supports and Resources
- **August:** VDOE Policy Updates and Internet Safety
- **September:** GoOpenVA
- **October:** Digital Learning and AI Strategies
- **November:** 2027 DLI SOL Update

Interested in discussing these topics further? [Office Hours](#) will be held each 4th Tuesday of the month starting in July. During these times, the Digital Learning Unit will revisit each of monthly webinar highlights and offer an open Q&A for continued discussion and support. Register today for the [webinars](#) and [office hours](#).
